This bill would authorize counties to suspend cost of living raises if the retirement fund fell below 80% of funding. She stated that there are three or four bills floated each year that may have a negative influence on our pensions, so it is important for retirees to keep a watch on those bills. Kathy Mount, Chief Legal Counsel for ACERA, is tracking this closely and will be speaking at the annual luncheon today.

Good of the Order – There was a brief discussion of our dues being \$1.00 since 1976 and that our costs have increased over time to be more than what the dues bring in. Also, there were several areas discussed to review to see if costs could be reduced, such as more people using the online newsletters.

Mary adjourned the annual meeting at 11:48.

Respectfully submitted, Renaye Johnson for Paul L Reeves, Board Secretary
